

Donald Wilson

United States Navy (Retired)

Dover, MN

donaldcwilson9_n37@indeedemail.com

(507)-429-4971

Security Specialist, Maintenance Engineer, Recruiter and 20 year Navy Veteran - tour of duty from June 1995 ending in June 2015. Grew up in rural Southeastern Minnesota with a desire to experience all opportunities life has to offer. Starting from the ground up, grew from a hard working maintenance man to a supervisor of hundreds of United States Navy sailors in the security and law enforcement field along the way.

Authorized to work in the US for any employer

Work Experience

Machinist

Fastenal - Winona, MN

April 2018 to Present

Shop machinist in a regrind division of Fastenal. Daily duties included operating and setting up a CNC machine to reshape and resharpen carbide tipped circular saw blades for various companies throughout the United States. Additional duties are operating torches, grinders, cutting tools, micrometers, surfaces and a variety of hand tools.

Insurance Inspector

Mueller Reports - Rochester, MN

April 2017 to Present

Routinely conducts inspections, evaluations and surveys of residential and commercial properties to provide various insurance companies and bank lenders the required information they need to make informed decisions regarding properties. Duties include but not limited to, photography of interior and exterior of homes and businesses, sketches of building layouts, ability to gather all amenities of a home to determine replacement cost and value, recognition of safety hazards and a general overall knowledge of all internal and external components of a home or business.

Machine Operator

Cytec/Solvay - Winona, MN

June 2015 to April 2018

The primary mission consists of engineering composite materials such as Kevlar, fiberglass and carbon fiber for use in the aviation business. Skills utilized on a daily basis are safety, communication, use of hands and hand tools, operating industrial machinery, handling sensitive material in a clean environment, using good judgement, speaking and listening.

Security Specialist/Propulsion Plant Operator

US Navy - Globally Mobilized

June 1995 to June 2015

During a 20 year Navy career, spent 8 years of service on 2 different Navy warships as an engine room operator obtaining knowledge in all areas of the propulsion plants. Worked the last 12 years in the security/law enforcement field where tours in law enforcement included the safeguarding and confinement of detained persons, maritime security and vessel boardings were completed. Four years of law enforcement patrols and anti-terrorism prevention. Additionally managed a Navy Recruiting Office to ensure the mission was completed by interviewing applicants to meet our tough physical, mental and moral standards.
