EXPERIENCE

2018- 6/20/19 FTE/JUS-COM Network Services

New York, NY

DAS Installation Technician/Crew Lead

- Completed multi large cell & small cell DAS constructions; including GE Aviation plant in Cincinnati, OH.
- Performed installation of structured cabling systems including all aspects of the installation process: OSP, ISP, Rack, Stack, Patch.
- Read and interpreted floor plans, drawings, specifications, and cut sheets.
- Terminated, labeled, and trouble shot optical fiber, coax, ground cable, and power cable configurations.
- As a Crew Lead, assisted in developing Installers to complete all the tasks and responsibilities of a Technician.
- Experience with Head End and GPS construction.
- Assisted testers using Anritsu and Kaelus test equipment.
- Approved for General Electric Aviation Plant's Security Clearance.
- Operated Scissor lifts and Boom Lifts.

2016- 2018

EAP Glass

Golden, CO

Commercial Glass Fabricator

- Experienced in ladder, manlift, telehandler, Bobcat, mobile crane and forklift operation.
- Certified in Sit Down Counter-Balanced Class IV and rigging.
- While in the fabrication shop, I received, built and shipped all frames and structures required for supporting commercial glass installation.
- As a service technician, I removed and installed glass frames and new glass.

2015-2016

The Wild Animal Sanctuary

Keensburg, CO

Operations/Carnivore Nutrition Center Management/Animal Care

- While in operations I aided in fabrication, landscape development, demolition and construction.
- Oversaw the daily receiving and preparation of over 30,000 lbs. of food.
- Supervised volunteers to ensure the safety of the volunteers and animals.
- Monitored, fed, administered medications and aided in medical procedures.
- Assisted with the movement and transfer of 100+ wild animals including bears, big cats and wolves.

2009-2014

United States Marine Corps

Multiple Countries

Supply Specialist/Embassy and Consulate Security

- Served 1 year in Okinawa as a supply specialist in which I ordered, tracked and received all goods for my 600 personnel squadron. Managed my squadron's \$1,400,000 fiscal budget while drafting, negotiating and overseeing the completion of contracts for any locally sourced goods and/or services
- 1 year in Casablanca, Morocco, which I was appointed second in command and successfully created a new Marine Security Guard Detachment from scratch. While Embassy Security I safeguarded sensitive and classified information, equipment, property and personnel. Oversaw the making of a new Consulate detachment in Casablanca, Morocco. Managed personnel as well as inter-office relations with other federal agencies located on compound.
- Embassy Security Officer at the American Embassy in Hanoi, Vietnam and Baghdad, Iraq.
