OBJECTIVE

Looking for a position that can utilize my ability to work on and fix machinery/automobiles. I can learn new things and adapt fast and welcome new challenges every day.

SUMMARY OF QUALIFICATIONS

Mechanically inclined and love to be around and learn how everything works in machines. Worked on and ran machines for over 5 years. When not at work I'm usually working on my cars or friends. I usually can learn something new after only doing it once or twice.

WORK EXPERIENCE

Adjustor 1 (7/2008 - 10/2013)
OLIN CORPORATION % KIM MURPHY, EAST ALTON, IL

EDUCATION

High School Diploma
Southwestern High School
Piasa, IL
I took 2 years of machine shop and a year of welding.
