## OBJECTIVE

Position utilizing my education and training in a laboratory setting.

## EDUCATION

**Bel-Rea Institute of Animal Technology**, Denver, CO

A.A.S. *Veterinary Technology*, December, 2013

## EMPLOYMENT/INTERNSHIPS

**Gentle Touch Animal Hospital** 8941 East Hampton Avenue, Denver, CO

09-30-2013 to 12-06-2013

*Intern*

- Observed the behavior and condition of animals and monitored their clinical symptoms.
- Maintained controlled drug inventory and related log books.
- Administered anesthesia to animals, under the direction of a veterinarian, and monitored animals' responses to anesthetics so that dosages could be adjusted.
- Cared for and monitored the condition of animals recovering from surgery.
- Performed laboratory tests on blood, urine, and/or feces, including urinalyses and/or blood counts, to assist in the diagnosis and treatment.
- Prepared and administered medications, vaccines, serums, and/or treatments, as prescribed by veterinarians.
- Filled prescriptions, measured medications and labeled containers.
- Collected, prepared, and labeled samples for laboratory testing, culture, and/or microscopic examination.
- Conducted and developed diagnostic radiographs, using digital x-ray equipment.
