I am seeking a position as a wind turbine technician. My certifications and training from Airstreams Renewables, Inc., as well as my experience at Renewable Energy SD , make me an excellent candidate. I am willing to travel, both nationally and internationally. I am available 2 weeks after offer of employment.

KEY SKILLS PROFILE

<i>Safety conscious- OSHA and First Aid/CPR trained</i>	<i>Experienced in computer skills including Microsoft office, Unitronics, and Rexroth IndraWorks software</i>	<i>Strong familiarity with power electronics equipment inverters/converters</i>
<i>Strong mechanical skills</i>	<i>Three years experience with wind turbine operation, maintenance, commissioning, and troubleshooting</i>	<i>Strong electrical trouble shooting skills</i>
