TO WHOM IT MAY CONCERN,

I am Looking to be a valuable employee to your company.

- One year of hands-on experience in Oil Field Industry. I've worked for the following companies, **Elevate Energy Services, Select Energy Services, and Mountain State Casing, Ranger energy.**

Job Tasks

- At Elevate and Select Energy Services I worked on pumps, frac locations, minions, working tanks, asats, setups, and tear downs.
- For Mountain State Casing I tripped pipes into the ground, cleaned pipes, as well as set ups and tear downs.
- For ranger Energy I tripped pipe into the ground, pulled pipe out of the ground as well as set ups and tear downs (picked up pipe threw on v door).

Certifications

- H2s certified
 - Forklift certified
 - First aid certified
 - CPR certified
-
- I am a very fast learner and am willing to do any job without questions asked or a complaint. I have excellent written and oral communication skills such as writing out (JSA's) before any job tasks are done as well as a verbal discussion after the JSA is completed.
 - I strive every day to work harder and to increase more knowledge about my job and I would love to come aboard and join the team! I have no problem with working long hours, as I have for all of my past companies.

- I have extensive skills such as restoration and some roofing which I've done for family members in such a line of work.
- I come from a family with 30+ years of oil field experience.

You will see from my enclosed resume that I'd be a great asset to this company. I will always be on time and I will always be doing my job efficiently!

I would very much like to discuss opportunities with you. To schedule an interview, please call me at [**970-324-7548**]. The best time to reach me is between **9am** to **7pm**. You can leave a voice message at any time and I will return your call as soon as possible.

Sincerely,

Dustin DeHart,
