- Operating a loader
- doing ranch work, dirt work, construction, farm work or maintenance
- I have 45 plus years experience running all types of tractors, most recently a New Holland T8-360, New Holland Swather with an 18-foot Header, driving silage trucks, combines, seed drills, balers, plows, ATV's, UTV's, backhoe for irrigation, operating a Bobcat or skid steer, 0-turn lawnmowers, 621F and 621C Case wheel loaders, fence building and repairs.
- Feeding Livestock
- I have many years of experience hooking up all types of trailers, driving a truck/trailer and parking trailers
- I can build or repair most anything.

## Work Experience

---

### **Farm Hand/Machine Operator**

Baker Farms-Erie, CO

June 2025 to Present

All aspects of farm production: running tractors, disking, planting with a seed drill, cutting, raking and baling hay, and running the silage truck.

### **Tractor Operator**

365 Hay Company LLC-Littleton, CO

June 2025 to Present

I am currently cutting, raking and baling hay as well as helping to work on farm equipment. I love it but it's only seasonal.

### **Machine Operator**

H2 Enterprises-Keenesburg, CO

February 2024 to August 2024

My job was to safely operate all light and heavy, motorized equipment, including, but not limited to pick ups, tractor, forklift, skid steer, front loader, dozer, excavator, and any other necessary equipment, as well as power tools.

### **Ranch Hand/Machine Operator**

Shelton Ranch And Cattle, LLC-Roggen, CO

June 2023 to January 2024

I cut, raked and baled hay, irrigated hay fields, moved sprinklers, loaded, hauled and spread manure, worked on farm equipment, checked and fed cattle as needed, worked on farm machinery, and did general maintenance and repairs for a 2000 acre family owned farm in Roggen, Colorado.

### **Ranch Hand/Machine Operator**

Caribou Springs Ranch-Longmont, CO

January 2023 to June 2023

I fed the cows and horses, repaired equipment, ran a 0-turn lawnmower, spread manure, repaired water lines and anything that needed to be repaired or worked on each day.

### **Farm Hand/Machine Operator**

Baker Farms-Erie, CO

January 2018 to December 2022

All aspects of farm production: running tractors, disking, planting with a seed drill, cutting, raking and baling hay, and running the silage truck.

### **Machine Operator**

Galitz Transportation-Dacono, CO

January 2018 to December 2019

I ran a 344 John Deere Loader loading and moving dirt at various locations for the company.

### **Owner**

Big Green Tractor-Erie, CO

June 2009 to December 2018

I worked on a harvest crew, cut, raked and baled hay for small producers in the area, did arena maintenance at Legacy Stables in Erie, hauled manure for several local farmers, did fence work and repairs locally, built a 10 stall barn and put up all paddocks, runs, arena and round pen and did all of the maintenance for C Level Farm LLC, did repairs and maintenance for several local horse facilities.

### **Owner/Ranch Manager**

Ft. Morgan Farm (extension of the Davis Farm)-Fort Morgan, CO

January 2000 to December 2008

I purchased a 2300 acre farm in Ft. Morgan, Colorado in 2000. I raised beef cattle and hay. I performed all repairs, maintenance, fieldwork, farming and animal care myself until I sold it in 2008.

### **Owner/Operator**

Davis Farm and Dairy-Broomfield, CO

January 1980 to December 2000

I ran our family farm in Broomfield, Colorado. We had 2000 acres and grew corn, wheat, hay and alfalfa. We raised dairy cows and had a milking operation until my family sold the farm in November of 2000.

## Education

---

### **High school diploma**

Northglenn High School

September 1979 to May 1982

I worked on the family farm while completing high school learning all aspects of farming and ranching.

## Additional Information

---

I have been busy caring for my ailing mother. She passed away recently, so I am now looking to go back to work full time.
