Skills

Experienced forklift operator seeking full-time employment with a growing company. I have four years of experience on a forklift which include: loading /unloading 53ft trailers and safely storing the material in its proper location as well as container trucks. Moving finished product in the yard and storing it in its proper location(10 to 20ft lifts of PVC/ABS/Conduit Pipe). loading /unloading 48 to 53ft trailers with finished product sorting the load according to their drops. With zero incidents on the job.

Experience

07/2015 to 07/2017

Rocky Mountain Colby Pipe - Yard Forklift Operator

loading/unloading semi trailers,containers,box trucks,flatbeds, etc.

Reorganized the yard to fit the needs of the new product coming off the lines.

Fixed damaged lifts of pipe and pulled orders for certain customers needs .

01/14 to 07/2015

McMillan Sales - Driver/Warehouse

Operated a forklift to load the trucks for the next day deliveries.

Organized the warehouse based on the amount of product.

Delivered plumbing supplies all over the Denver metro area.

Pulled correct product in the warehouse for all deliveries the next day.

03/2012 to 6/2013

Correctional Management Inc - Correctional Tech

Overseen the whereabouts of 80 clients in a halfway house

Administered daily pat searches/U.As/B.As to ensure state compliance.

Filed reports with local law enforcement when a client would escape.

Education

04/2008 to 05/2010
