Experience

Production employee

@Work Personnel Services

March, 2019 — February, 2021 (1 year 11 months)

I worked as team member to fulfill daily orders on the production line, an average of 12 different plates per day with a range of 100 - 400 units each one.

In addition I also showed availability to help other lines complete their orders when my line was done.

I am flexible about the in and out times, I can come in earlier when needed and stay until necessary.

Transporter

Global Transportation

January, 2018 — March, 2019 (1 year 2 months)

I drove vehicles from several cities such as Chicago IL, Salt Lake UT, Las Vegas NV, etc. to Denver and surrounding areas as requested by my company and delivered them timely and without any inconvenient.

Education

COBACH7

High School Diploma

Certificates and Licenses

Good Manufacturing Practices

Del Monte Fresh Produce

January, 2021

GMP's objective is to minimize safety hazards and maximize the quality of the produce being processed.

Includes PPE, Knife handling, critical control points, company policies, etc.
