Work Experience

Postmates Delivery Driver

Postmates - Denver, CO

January 2020 to Present

I pick up food deliveries from a app. Then I deliver to customer.

Doordash Driver

DoorDash - Denver, CO

January 2020 to Present

I pickup orders from a app. Then I deliver to a customer.

Package Handler

Ontrac - Denver, CO

October 2018 to November 2020

I take packages off a conveyor belt by zip code and put them on the ground. The packages are unloaded from a trailer.

Ramp Agent

Menzies Aviation - Denver, CO

December 2019 to January 2020

I loaded and unloaded luggage for aircraft.

Associate

Amazon

July 2016 to August 2018

I started in Aurora and ended in Thornton. I have scanned packages and put them in totes and on pallets. I have done cage audits to make sure right amount of packages are in cages. I have done Water Spider. Water Spider is wrapping pallets that had packages on them. I would close out finished pallet with RF gun. I would then print out two labels and put on front and back of pallet. I have done TDR. I would inspect landing gears of truck trailers coming to facility. If safe I would open bay door of trailer for the forklift driver to unload.

Warehouse Worker

Elwood Staffing - Arvada, CO

January 2016 to June 2016

Warehouse

I did temporary jobs for this agency in Warehouses.

I unloaded trailers, I used machines to trim excess plastic from cups. I used machines to cut foam for mattresses. I put snacks together at Volunteers of America.

Ramp Agent

Simplicity

October 2015 to December 2015

I was trained to be a Ramp Agent at DIA for United Express. I drove a vehicle with a conveyor belt to airplane to get customers luggage off of plane. I used orange hand wands to make sure airplane came in and left safely.

Order Picker

Next Level Tactical

July 2015 to August 2015

I transferred here from Glo professionals. I picked orders of make-up and stocked.

Order Picker

Gloprofessionals

August 2013 to July 2015

printed out. I picked make-up from shelves around the warehouse. I put items in a bin and gave them to a checker. The checker would double check order to make sure bin was picked correctly. The checker gave bin to packager. I also stocked make-up items. I did inventory for company twice a year.

Painter Helper

All Automotive - Aurora, CO

July 2012 to April 2013

Paint Prepper

I was trained by my brother Tony. He was the Automotive Painter for this company. I would sand and primer vehicle to be painted. I would also pick up vehicles nearby car rental agencies at DIA These vehicles were to be painted by my brother.

Order Picker

Gloprofessionals - Denver, CO

July 2005 to July 2012

Order Picker

I picked orders of make-up that was shipped around the nation and world. I would stock make-up. I would sometimes build displays for make-up. I helped move this company to a bigger location. I became lead Order picker. I would make sure other pickers were well stocked. I packaged items that needed to be.
