954-491-5198

Experienced, helpful, hardworking knowledgeable professional looking for a full-time opportunity to provide quality one-on-one physical therapy care while maintaining a healthy work/life balance

Authorized to work in the US for any employer

Work Experience

PT Assistant

Fort Defiance Navajo Indian Hospital

June 2018 to April 2019

- Working through Aureus Medical Staffing, I provided PT services to outpatients with hip and knee replacements, cervical and lumbar fusions, lumbar radiculopathy, strokes, below-knee amputations, ACL repairs, unicompartmental knee replacements, ankle fractures, and two people with incomplete T-12 spinal cord injuries as a result of car accidents.
- Administered therapeutic exercise, ultrasound, joint mobilizations, muscle energy techniques, blood-flow restriction protocol, and electrical stimulation as required by plan of care established by evaluating P.T.
- Treated approximately 13 people a day
- Documented with RPMS EMR and billed appropriately for each service I provided

PT Assistant

Full-time contract travel - Stamford, TX

July 2017 to October 2017

and Shinnery Oaks in Denver City, Texas

- Working through Accountable Healthcare Staffing, I treated residents with strokes, lumbar spinal stenosis, femoral fractures status-post ORIF, knee and hip replacements, dementia, Parkinsons, Alzheimers, COPD, functional decline, and gait and balance deficits
- Utilized therapeutic exercise, balance, and gait training to progress residents towards their goals
- EMR used-Rehab Optima

Hand-written notes

Florida Back Institute

October 2016 to June 2017

- Treating orthopedic spinal outpatients with cervical and lumbar fusions, spinal stenosis, torticollis, Paget's disease, scoliosis, and lumbar laminectomies
- Utilized therapeutic exercise, manual therapy, ultrasound, and electrical stimulation while focusing on improving patients' core strength and flexibility
- Provided home exercise programs for all patients as needed
- Hand-written notes
- Treated everyone one-on-one for 1 hour sessions

Part-time Contract Physical Therapist Assistant

Kindred Hospital West Palm Beach

March 2016 to June 2016

-Working part-time through Supplemental Healthcare Staffing in Miami Lakes, I treated people with multiple myeloma, coronary artery bypass grafts, bilateral above-knee amputations, and multiple sclerosis

-Used Kindred's in-house EMR, Pro Touch

-Helped patients by using therapeutic exercise, gait and balance training, and transfer training as well as improving their ADL abilities

South and West Central Florida

July 1999 to June 2015

Actively helped rehabilitate multiple orthopedic, neurological, trauma, geriatric, and pediatric patients as a vital team member in various settings throughout South and West Central Florida, either as a contract employee, or a direct-hire employee.

Over the years, I have treated patients with total hip, knee, and shoulder replacements, strokes, above and below-knee amputations, gunshot wounds, heart attacks, coronary artery bypass grafts, cancer patients, people who had aortic and mitral heart valve replacements, people with abdominal aortic aneurysm repairs, traumatic brain injuries, cauda equina syndrome, Brown-Sequard syndrome, Bell's palsy, HIV, a 2010 Haiti earthquake survivor, multiple motorcycle accident victims with tibia/fibula fractures and/or external fixators, a patient who survived a car versus train accident and lived to tell about it, motorcycle riders who have fallen off overpasses, people with Ilizarov external fixators to correct congenital limb-length discrepancies, and patients with Alzheimers and Parkinsons

Volunteer and Community Work

Florida Atlantic University

February 2001 to April 2003

Volunteered with the inaugural Florida Atlantic University football team as well as with men's soccer, men's and women's basketball, tennis, volleyball, and softball teams. Learned football game/practice management while also performing preventive taping techniques pre-practice. Volunteered my services while rehabbing football players with high ankle sprains and lumbar injuries.
