EXPERIENCE

R.A.C. transport,commerce city — *breaker/loader*

06/19-01/20

I received a promotion from breaker to loader in 3 months time due to my tenacity and drive it was a self managing position which entailed tagging and unloading multiple trailers of freight as well as manifesting and loading another trailer to be shipped out i also maintained and operated my own sit down lift.

freelance, longmont — *apprentice carpenter*

01/15-01/17

My apprenticeship went over most basic construction skills including masonry sheetrocking basic line running as well as pipe fitting tile laying insulation installation painting and more

Dollar tree, denver — *cashier/stocker*

02/17- 01/18

Basic register and stock work

EDUCATION

Northglenn highschool, — *Diploma/equivalent*

SKILLS

Forklift certified

Trained on register

Basic computer skills

Power tools

AWARDS

I would love to put something down for awards but i've never been given the opportunity to demonstrate my true potential so upon seeing this i hope you consider doing so as my future employer
