(720) 429-2188

Growing up, I watched my mother work day in and out to insure that her three sons had everything they needed. Breaking her back, going to bed hungry and working before the sun comes up and still being there in the mornings to send her sons to school. Her work ethic have been pass down to her sons and in every jobs I had and will bring that same work ethic.

Willing to relocate: Anywhere

## Work Experience

---
