+1 720 655 7971

My objective would be to find a job in a warehouse operating a forklift or anything related to a forklifting or order selector job but also willing to be taught and learn new experiences.

## Work Experience

---

### **Order Selector**

Windigo Logistics - Denver County, CO

February 2023 to May 2023

I have about 1 year of experience operating electric, propane, diesel powered forklifts and also operated a cherry picker, stand up forklifts and electric. I have used regular pallet jacks, also loaded and unloaded trucks and replenished pallets and stock. I also have experience using inventory scanners and working construction landscape. 3 months experience order selecting.

### **Forklift Material Handler**

navajo

November 2019 to April 2020

I was picking orders building up pallets getting them ready to load onto trucks and on other days I was restocking boxes and replenishing pallets on the floor and back onto the computer system.
