Work Experience

Construction Worker

Lindemanns Woodwork - Denver, CO

March 2021 to Present

Cleans and prepares construction sites by removing debris and possible hazards.

- Loads or unloads building materials to be used in construction.
- Builds or takes apart bracing, barricades, forms, scaffolding, temporary structures.
- Digs trenches, backfills holes, or compacts earth to prepare for construction.
- Operates or tends equipment and machines, such as concrete mixers.
- Helps other craft workers with their duties.
- Follows construction plans and instructions from the people they are working for.

Feeder Operator

Southern Limestone CO-OP - Alabama City, AL

August 2019 to December 2020

The gin (short for engine) consists of wire teeth mounted on a boxed rotating cylinder that, when cranked, pulls cotton fiber through small grates to separate the seeds, while a rotating brush removes lint from the spikes to avoid jams.

Landscaper

MARTINEZ LANDSCAPING - Harlingen, TX

January 2018 to December 2019

Landscapers or groundskeepers do pretty much anything that involves a yard: raking, mowing, trimming, planting, digging, mulching, sprinkler maintenance and all sorts of other fun things. It's a landscaper's job to make every yard they touch look as perfect as the last.

Warehouse Worker

National Food & Beverage - Dallas, TX

January 2017 to June 2018

Warehouse Workers are active throughout their day working independently using a voice-controlled system to select full-case grocery, frozen, and/or perishable products using powered pallet jacks.
