EXPERIENCE

MARCH 2019 – JULY 2019

ASSEMBLER, FEDERAL PREMIUM AMMUNITION

- Quality checked cartridge components to determine conformance to specifications, disposing of any unacceptable parts
- Cleaned work areas following each shift by removing debris and trash
- Packaged finished products and prepared boxes, containers and pallets for shipment to distribution centers
- Reviewed finished products for quality and conformance to work orders and removed non-conforming pieces for recycling or correction
- Recognized and reported defective material and equipment
- Cleaned work areas regularly
- Rotated through different stations each hour based on team needs

SEPTEMBER 2018 – MARCH 2019

CREW MEMBER, MCDONNALDS

- Recorded customer orders and communicated clearly to confirm each order
- Frequently washed and sanitized hands, food areas and food preparation tools, adhering to safe food handling practices
- Maximized customer satisfaction by quickly addressing and resolving complaints with food or service
- Completed side work tasks, including restocking condiments and cleaning refrigerators
- Accepted payments and made change to process transactions

November 2017 – September 2018

BANQUET COOK, *Emperyeen catering*

- Reviewed recipes to determine exact measurements and ingredients to create dishes
- Chopped vegetables and seasoned meats and fish in preparation for grilling, sautéing and braising
- Sanitized kitchen counters and preparation areas to prevent foodborne illness and cross-contamination
- Portioned food onto plates, added garnishes and sauces and handed off to wait staff for serving
- Precooked garnishes such as bacon pieces for later use to top off fresh dishes
- Helped other staff members complete job tasks during peak times to keep kitchen running efficiently

June 2014 – November 2017

Production Assistant, *North Coast Organics*

- Unloaded incoming products off trucks, moved boxes to staging area, sorted items and transported to final storage locations
- Assembled products from raw materials and completed inspections
- Set up and operated production equipment according to daily work orders and safety procedures
- Trained newly hired employees by explaining company procedures, job duties and performance expectations
- Maintained excellent levels of workplace cleanliness around equipment to enhance safety and productivity
