

Erick Chiang

Skilled Laborer/CNC Machinist/Quality Inspector

Centennial, CO 80016

e.chiang1@yahoo.com

+1 720 275 5630

Experienced in CNC Machining/Manufacturing/Fabrication/WaterJet Operations/Aerospace Machining

Interested in CNC Machinist Work, WaterJet Operator, Forklift Operator, Fabrication, Quality Inspector

Work Experience

CNC Machinist

Cutter Innovations - Arvada, CO

February 2022 to January 2023

Responsibilities

Precision machine set-ups

Tool set-ups

Program editing

Blueprint reading

CMM Knowledge/Operating

Accomplishments

Further my experience as a Mill/Drill operator.

Gain knowledge on new types of machines. (Okuma, DMG Mori)

Advance Blueprint reading skills

5th Axis set-ups

Quality Inspection training/Advance inspections

Learned how to use latest DMG Mori technology

Skills Used

Quick thinking and solutions

Knowledge on blueprint reading

Multitasking machine production

Precise tolerance keeping

Cutter comp adjustments

Bilingual

CMM operating

CNC Machinist

Metro Machine INC - Englewood, CO

July 2021 to February 2022

Responsibilities

Precision machine set-ups

Fixture

Tool set-ups
Program editing
Blueprint reading
Surface Plate knowledge

Accomplishments

Further my experience as a Mill/Drill operator.
Gain knowledge on new types of machines. (Cincinnati, Makino)
Advance Blueprint reading skills
5th Axis set-ups
Quality Inspection training/Advance inspections
Learned how to use Dynamic Offsets

Skills Used

Quick thinking and solutions
Knowledge on blueprint reading
Multitasking machine production
Precise tolerance keeping
Cutter comp adjustments
Bilingual

CNC Machinist

ATS Diesel Performance - Arvada, CO
October 2020 to July 2021

Responsibilities

Precision machine set-ups
Fixture
Tool set-ups
Program editing
Blueprint reading
Surface Plate knowledge

Accomplishments

Further my experience as a Mill/Drill machinist/operator.
Gain knowledge on new types of machines. (Daewoo, Matsuura, Ganesh, Doosan, Mazak)
Advance Blueprint reading skills
4th Axis set-ups
Quality Inspection training/Advance inspections

Skills Used

Quick thinking and solutions
Knowledge on blueprint reading
Multitasking machine production
Precise tolerance keeping
Cutter comp adjustments
Custom pro-to type set-ups
Bilingual

CNC Machinist

Intrex Aerospace - Thornton, CO

April 2016 to June 2020

Responsibilities

Precision machine set-ups

Fixture

Tool set-ups

Program editing

Blueprint reading

Surface Plate knowledge

CMM operator

Accomplishments

Further my experience as a Mill/Drill operator.

Gain knowledge on new types of machines. (Haas, Matsuura, Niigata, Robo Drill)

Advance Blueprint reading skills

4th Axis set-ups

Quality Inspection training/Advance inspections

Skills Used

Quick thinking and solutions

Knowledge on blueprint reading

Multitasking machine production

Precise tolerance keeping

Cutter comp adjustments

Bilingual

CNC Machinist Setup/Operator/Quality Inspector

Chandler Industries - Littleton, CO

February 2015 to March 2016

Responsibilities

Precision machine set-ups

Fixture

Tool set-ups

Program editing

Blueprint reading

Surface Plate knowledge

Accomplishments

Further my experience as a Mill/Drill operator.

Gain knowledge on new types of machines. (Haas, Matsuura, Niigata, Robo Drill)

Advance Blueprint reading skills

4th Axis set-ups

Quality Inspection training/Advance inspections

Skills Used

Quick thinking and solutions

Knowledge on blueprint reading

Multitasking machine production
Precise tolerance keeping
Cutter comp adjustments
Bilingual

CNC Machinist/ CNC Set Up Machinist

BTD Manufacturing - Peoria, IL
January 2012 to December 2014

Responsibilities:

Precision machine set-ups
Fixture
Tool set-ups
Program editing
Blueprint reading
Fork lift driver

Accomplishments:

I learned how to better my experience as a Machinist
Acknowledge advance blueprint reading
Precision Set-ups

Skills Used:

Quick thinking and solutions
Knowledge on blueprint reading
Multitasking machine production
Precise tolerance keeping
Bilingual

Sales Associate

Journeys - Peoria, IL
May 2013 to September 2013

Responsibilities

Assisted customers with item reviews, suggestions, and sales.
Inventory management
Loss prevention
Shipment intake

Product Reviews
Organization Skills
Interpersonal Skills

Line Assembler

ICON - Logan, UT
April 2011 to September 2011

Responsibilities:

Line assembler, start to finish production build.

Accomplishments:

Learned how to work in a fast paced environment
How to assemble parts to machinery

Skills Used:

Team work
Ability to work in fast pace environment
Multitasking

Education

High school diploma

Cache High School - Logan, UT
2007

Skills

- CNC Machinist, Fabricator, Inventory Management, Forklift Operator, Manufacturing, Machine Operator, Material Handler, Waterjet Operator, CNC Machining Set-ups, Quality Inspection, Sales Associate (5 years)
- Cnc Mill
- Cnc Machine
- CNC
- Cnc Lathe
- Calipers
- Blueprint Reading
- Micrometer
- CNC Programming
- Manufacturing
- Precision Measuring Instruments

- Assembly
- Calibration
- Coordinate Measuring Machine
- GD&T

Certifications and Licenses

Forklift Certified

February 2012 to February 2015

Certified and experience to operate Forklifts or various sizes

COP Certified

Present

Additional Information

Experienced WaterJet Operator

Forklift/Forktruck Certified

Willing to work any hours and willing to be on Call

Bilingual

S5 Knowledgeable

Lean Training

Aerospace Machining

Medical Machining

Macro Machining
