Hi Eileen:

I had a long detailed conversation with Eric Arauz today regarding his absences. He informed me he was in Florida for court matters and had trouble with transportation in getting back to MN. He did provide documentation of being in Florida but not of court. I informed him that he is to not miss any more work or he would probably be looking for other employment. I asked him not to miss any time in the next 30 days. He is a good worker when here and I like to give people the benefit. Hope this works for you. I will keep you informed.

Chad Hinds made it to work on time today. Yeah!!! He will be staying a while longer too.

Thank you for your time.

Viola
