### **Quality Control Inspector**

FW Manufacturing - Englewood, CO

September 2021 to December 2021

Worked and became lead to quality control department within two months, trained a new team and moved to assembly where I could still be close by if they needed help. Learned how to do the lamination of the pre fabricated products and post fabrication of furniture legs and parts. Was the go to for pallet wrapping and anything to do with how to package something correctly.
