EMPLOYMENT OBJECTIVE

Seeking a welder or related industrial position that utilizes my skills & abilities.

PERSONAL SUMMARY

1. Good at hands on work
2. Adjust well to new environments
3. Doesn't stop working till the jobs done
4. Works well with others
5. Safety is my number one priority

WELDING SKILLS & RELATED INDUSTRIAL CAPABILITIES

- Welded plate & structural steel in accordance with ASME & AWS codes and standards.
- Welded plate & structural steel in the flat, vertical, horizontal & overhead positions.
- Welded stainless steel & aluminum in accordance with Military Standard 1595-A.
- Welded larger diameter piping according to pipeline standard API 1104.
- Ran overlapping beads; performed butt, fillet, socket & groove welds.
- Measured, cut, prepared & fitted segments of pipe & structural steel.
- Welded mild steel pipe in accordance with ASME Section IX.
- Welded 2"-5" pipe in the following positions: 2G, 5G, & 6G.
- Able to interpret blueprints and welding diagrams.
- Skilled in basic fitting & piping system layouts.
- Utilized assorted electrodes and filler metals.

USED THE FOLLOWING WELDING PROCESSES

- GTAW-Gas Tungsten Arc Welding (*TIG & HF TIG*)
- SMAW-Shielded Metal Arc Welding (*Stick*)
- GMAW-Gas Metal Arc Welding (*MIG*)
- FCAW-Flux Core Arc Welding

PREPARED & CUT METAL WITH

- Plate & Pipe Beveling Machines
- Hand Torches & Grinders
- Air Carbon Arc Gouging
- Plasma Arc
Shear machines

EMPLOYMENT HISTORY

RWS design and Control 4/2019-present TIG on stainless in high degree. Food sanitary welding on tubing and schedule piping both with AWS certifications. Fit and weld CIP skids.

Sheet metal worker California Sheet Metal 8/2015 -1/3/2016 MIG and TIG fabrication, shear machine, brake press

Stainless steel Fabricator Agc Heat Transfer 4/2013-8/2015 Tig on stainless and mild steel per blueprint Standards, polish, and trainer of new hires

Tank Fabricator Barnes international 3/2012-4/2013 Rockford,IL Mig and Tig on stainless and mild steel Per blueprint standards

Stainless Steel Fabricator Triangle Metals Rockford,IL 11/2011-3/2012 tig/MIG
Stainless steel and mild steel

Mig and Tig welder Rockford Specialist (temp work) tig/MIG stainless steel and mild steel

Stainless steel Fabricator Pro-arc welding 9/02/11-11/11 tig stainless per blueprint standards

Set-up and Delivery 2005-2011 (temp work) Rockford Rentals, Rockford IL

Set-up and take down company tents, drive 14 ft box truck, fill up propane tanks, and fix 2 stroke engines

Zamboni Driver 2007-2008 Carlson Ice Arena, Loves Park IL

Drive Zamboni, clean ice, open and close the arena, and maintenance

Delivery Driver 2010-2011 Rockford Truck Sales, Loves Park IL

Drive to Chicago and back dropping off semi parts and collecting checks

Hardwood Floors Installer 2006-2007 Carpet land USA, Rockford IL

Tear out old floor and replace with hardwood flooring

VOCATIONAL TRAINING & EDUCATIONAL BACKGROUND

Tulsa Welding School

Jacksonville, FL

Completed a welder-training program with studies in structural, pipe, pipeline & thin metal alloy welding processes. Additional training in metal prep, cutting & layout; basic fitting & rigging; pipe takeoffs, industrial safety practices and proper usage of personal protective equipment. Also familiar with metallurgy, welding symbols & terminology; isometric drawings, industrial diagrams & blueprints.

Harlem High School

High School Diploma

Machesney Park, IL
