

Ernest Suazo

Denver, Colorado | 720-757-0103 | emswaz51@gmail.com

Objective

Proactive and disciplined, I excel by ensuring a safe, clean environment and streamlining warehouse operations. Skilled in heavy lifting and team collaboration, I prioritize safety and efficiency, significantly enhancing productivity.

Efficient with warehouse equipment, good order picking, palletizing and container building skills. Adept at loading and unloading trucks, shipping and receiving. Hard worker who consistently shows up, on time and willing to work extra hours as needed. Energetic and physically fit, willing and able. My proactive approach and ability to learn rapidly make me an ideal candidate for fast-paced settings.

Experience

A&K Ice

02/2019 – 08/2020

- Package and ensure proper stacking of product on pallets
- Ensure proper operation of machines and equipment.
- Load and unload trucks
- Communicate with supervisors to ensure efficiency
- Maintain all areas and keep clean
- Stock and rotate product to ensure freshness
- Assist and coordinate special events
- Assist in deliveries
- Familiar with the use of handheld scanners
- Customer service and sales on the dock
- Use forklift and pallet jacks to move and stack pallets as needed

Handyman services

10/2013 – 09/2017

- Installed lighting fixtures to improve lighting and increase energy efficiency.
- Performed minor wall repair, installed drywall, and applied wallpaper.
- Performed basic electrical work and plumbing repairs such as installing new toilets, removing electrical wires, unclogging drains, and maintaining gutters.
- Painted walls, ceilings and other surfaces.
- Prepared for new painting by removing previous materials with seam-cleaning, sandblasting, scraping, and sanding.
- Removed and repaired carpet and wood flooring, including tile work
- Built and repaired decks, fences and sheds to improve overall appearance of homes.
- Re-caulked and sealed windows doors and siding to prevent drafts and air leaks and minimize energy costs.

- Installed cabinets and shelving units in homes and offices to provide additional space and organization.
- Minor renovations
- Landscaping and yard improvements
- A multitude of tasks asked by homeowners i.e. garbage removal, doors, windows, build furniture, install draperies, and other household needs
