I'm a hardworking individual looking to obtain employment in a positive atmosphere where I can exceed.

Work Experience

Machine Operator

Driver Industrial - Henderson CO

March 2022 to March 2022

I was assigned to assemble machines and I would do tests on materials that were used that day. I operated machinery that filled molds that varied from sizes and weight. I would organize workstations ahead of time to help the production go faster. It was a physical job that requires you to physically move around 50-100 pound molds.

Package Handler

United parcel - Commerce city CO

November 2021 to November 2021

I would load packages into delivery trucks and unload Packages from trucks as they arrive and ensure packages are stored correctly into the right trailer.

Machine Operator

ARC Group Worldwide - Firestone, CO

April 2020 to November 2021

I would trim plastic and metal mold parts that came from machines and I would also operate and have to clean the metal and plastic molding machines when they had issues. I would refill the machines with material to keep production going. I was also checking the parts to see if any damage had happened when the parts came out of the machine.

Packer

Otterbox - Longmont CO

January 2019 to October 2019

I would pack phone cases by hand and help box them up so they are ready to ship .I would also run machines that would help pack phone cases.

Housekeeping

Best Western Plus Hotel - Hudson Co

December 2018 to January 2019

I would clean lobbies, stairways, elevators and lounges as well as guest rooms, distribute clean towels , new covers and restock room supplies such as drinking glasses, soaps, shampoos, writing supplies, mini bar products. I would empty the trash as well and mop and vacuum.

Helper

Pro's painting LLC - Aurora CO
September 2016 to August 2017

I would schedule and confirm appointments, and answer information requests. Order paint for upcoming houses.

Cashier

Mile High Flea Market - Henderson CO
March 2016 to September 2016

I handled cash, credit or check transactions with customers. I was entrusted to count money in the cash drawers at the beginning and end of shifts to ensure that amounts are correct every shift. I would also greet customers when entering and leaving the establishment.

Education

GED in Driver Industrial

March 2022 to December 2022
