Authorized to work in the US for any employer

Work Experience

Machinist

Tri-Gon Precision - Colorado Springs, CO

February 2017 to Present

I set up and operate CNC Miyano and CNC Hardinge. I also occasionally do FAIR, Grind, cut material on a industrial band saw, and light programming.

Carpenter/Laborer

Mcdonald Cabinetry - Hendersonville, TN

March 2015 to June 2016

I sanded, stained, and sometimes installed custom made cabinets.

Picker/Packer

Macy's - Portland, TN

September 2014 to February 2015

I picked clothing, packaged it properly and sent it to the customer. I worked at the online side of macys not the store itself.

Machinist

Education

Machinist in Machine Tool Technology

Tennessee College of Applied Technology-Hartsville - Hartsville, TN

August 2013 to September 2014

High school or equivalent
