+1 630 803 5514

I'm a very hard worker fast learner and I'm very reliable. I also have 23 years of warehouse experience including forklift ,Q.A , line leader, plus many more skills.

Authorized to work in the US for any employer

Work Experience

Quality Assurance Analyst

Hearthside Food Solutions - Geneva, IL

May 2022 to July 2022

I was responsible for checking the product checking the quality of the product checking the raw product running different test on certain product maybe breakage test,moisture test, i also checked weights on the product.I double checked the machine operator's paperwork took samples approved date codes. I also Did the test on the equipment to make sure it was reading the proper UPC barcode and the metal detection test

Forklift Operator/Material Handler

Paramount Staffing Agency - Naperville, IL

August 2021 to May 2022

I drove a sit down forklift so I would supply the fast paced assembly line with raw materials, I was responsible for removing empty Gaylords and broken pallets also had daily cleaning

Lead Qt

HQC Incorporated - Oswego, IL

April 2019 to August 2021

I work in a food/healthcare product molding industry. I am the lead Qt so I am responsible for making the schedules,orientation, training, assisting the other machine operators problem solving and assisting my supervisor with any other task that may need to be done.

Forklift Operator

Menards - Plano, IL

February 2019 to April 2019

I drove a forklift to load product onto the trailer or I unloaded trailers and stored the product in a designated location using a Rf system it required some basic math and some lifting up the 50 lbs.This was a temporary assignment and was completed.

Elite staffing

AGS LLC

October 2018 to February 2019

I worked as a machine operator I inspected the parts and packed them this was a Temporary assignment and it ended due to lack of work

Quality Control Inspector

Butterball, LLC - Montgomery, IL
August 2015 to October 2017

I worked with food making sure that the temperature met the requirements. I was responsible to make sure the correct labels were on the product and boxes. I had to also make sure the work area was clean to USDA standards. I documented all of my hourly checks and any issues that came up. I was in charge of shutting down the work area if there were any problems.
