

Ezequiel Rodriguez

Denver, CO | 5746128059 | Cheque13383@gmail.com

Professional Profile

Hardworking and physically fit professional with an extensive history in commercial driving, heavy equipment operation, and warehouse logistics. Reliable expert in navigating challenging environments, including mountainous terrain and snow, while maintaining a perfect safety record. Proven ability to manage complex inventory, handle diverse forklift machinery, and deliver materials to residential and commercial construction sites with precision.

Skills

- **Licensing & Compliance:** CDL License, OSHA 10, and OSHA 30 Certified.
- **Heavy Equipment Operation:** Reach Truck, Nail Forklift, Scissor Lift, Clamp, Cherry Picker (Propane & Battery), Sit-down and Stand-up Forklifts.
- **Logistics & Warehouse:** Order Picking, Inbound/Outbound Shipping, Receiving, Inventory Management, and Route Planning.
- **Specialized Driving:** 18-Wheeler, Flatbed, Mountainous Terrain Navigation, Snow/Ice Conditions, and Concrete Delivery.

Professional Experience

SGW (Synthetic Grass Warehouse)

Warehouse Specialist & Delivery Driver | April 2025 – April 2026

- Managed comprehensive warehouse operations including order picking, inbound/outbound logistics, shipping, and receiving.

- Operated a wide range of machinery including reach trucks, nail forklifts, scissor lifts, clamps, and cherry pickers.
- Executed the safe delivery and unloading of synthetic turf at residential and commercial construction sites.

Cosio Concrete / Burnco

Concrete Delivery Specialist | March 2020 – April 2025

- Operated heavy concrete mixing trucks for a primary concrete leaser, ensuring timely delivery to diverse job sites.
- Maintained vehicle readiness by conducting thorough inspections and managing water tank levels.
- Ensured concrete quality by monitoring slump and load specifications before departing the plant.

Aggregate Industries

Mixer Driver | April 2019 – March 2020

- Delivered concrete across various Colorado job sites, transitioning between different plant locations as required.
- Performed pre-trip inspections to guarantee truck safety and roadworthiness.
- Coordinated with plant operators to load materials and confirm load accuracy.

McLane

Commercial Driver (18-Wheeler) | April 2017 – April 2019

- Operated 18-wheeler vehicles across multiple states, navigating the Rocky Mountains during severe snowstorms.
- Managed multi-day long-haul journeys, ensuring all paperwork, trailer connections, and equipment were properly prepared.

- Integrated warehouse duties when not on a scheduled route, including forklift operation and order completion.

Denver Hardwood

Warehouse & Delivery Driver | January 2014 – February 2017

- Learned and mastered forklift operation, contributing to a highly organized warehouse environment.
- Performed inventory counts and managed will-call orders for various job sites and customers.
- Operated flatbed trucks to deliver hardwood materials directly to customer locations.
