---

## PROFESSIONAL EMPLOYMENT

---

**GIS TECHNICIAN**, *Rand McNally & Company*, Skokie, IL, November 2010 – August 2011

- Perform quality assurance on over 600,000 miles of roadway in North America
- Update critical road attributes, directly affecting the routes chosen by navigation devices
- Research road construction and traffic patterns and accurately represent these features cartographically
- Provide customer assistance by responding to feedback from navigation device users and fixing the problems they encounter
- Verified and geocoded the locations of over 2500 “Points of Interest”, allowing customers to accurately route to important landmarks

**GIS INTERN**, *Miami University Office of Institutional Relations*, Oxford, OH, December 2009 – July 2010

- Created maps utilized by Director of IR in lobbying U.S. and State Senators and Representatives to support higher education
- Directly aided in increasing public funding for Miami University by millions of dollars
- Acquired time management skills by prioritizing projects and meeting on-the-spot deadlines
- Established GIS teaching skills through training employees to create maps
- Was elected by Miami’s GIS Coordinator and the only GIS student in this position

**PLANNING & DEVELOPMENT INTERN**, *Village of Mundelein, IL*, Summers 2008, 2009

- Reviewed the Zoning Code and brought many outdated codes up-to-date
- Aided in formulating a new Comprehensive Plan, laying out the 15-year future goals of the Village
- Handled development cases and led citizens through the necessary steps to completion
- Researched and wrote grant applications for greenway creation and bike paths
- Attended Village Board meetings in representation of the Planning Department
- Assisted Director of Community Development in Planning-related activities

**LAW CLERK**, *Beranek, et al Attorneys*, Chicago, IL, Summers 2004-2008

- Assisted attorneys with case research in civil litigation
- Interviewed clients to gather case information for lawsuits exceeding \$50 million
- Consistently filed court forms with the County and State Clerks Office
