---

## **Qualifications**

- Enjoys learning new things, willing to go above and beyond.
- Basic computer skills.
- Respectful and Responsible.
- Hard worker and organized.
- Microscope experience.
- Punctual.
- Works great with others or independently.

## **Education**

**SAINT PAUL COLLEGE, St. Paul, MN.....Fall 2013 – January 2015**

**Nurse RN**

## **Work History**

**RUSS DAVIS.....May 2016 – Oct 2016**

## **Pre-Picked orders**

Experience in picking orders for production and making sure they had the right amount of containers and top lids for products to be sent off to different stores. I was a lead in this position; I had to guide and supervise teammates on multiple tasks during the course of the day. I also have experience in using computers to print out any missing labels for production, either on container or lids.

**BOSTON SCIENTIFIC (EMPLOYMENT PLUS) ..... May 2015- February 2016**

**Sub Assembly**

Experience working in a clean room environment. Working with machines, lapping, and inspecting small ceramics following a work document. Experience using microscopes and working with small objects.

---

**JC ROOFING LLC, MN.....June 2009 – August 2013**

**General Laborer**

Thoroughly cleaned and picked up trash around owners' properties.  
Safely prepared equipment for roofers.  
Maintained a safe and clean work environment for the team of workers and home owner.
