## Work Experience

---

### **Shrink wrapper and bulker**

Millstone Medical - Fall River, MA

July 2018 to December 2023

Shrink wrapping packaged implant parts and bulking them into boxes , packing, labeling, palletizing, and other warehouse related work.

### **Machine Operator/Assembler**

HTP Comfort Solutions LLC - New Bedford, MA

February 2014 to June 2018

We fabricated water heaters from scratch, I operated different machines used throughout the building and testing process.

### **Picker/Packer**

Quality Custom Packaging - New Bedford, MA

April 2010 to January 2016

Picking and packaging scallops, shipping and receiving, warehouse duties as needed.

### **Delivery Driver/Warehouse**

SID WAINER & SON - New Bedford, MA

September 2005 to March 2010

Driving a delivery truck to a Boston route, loading and unloading truck and warehouse work.

### **Machine Operator/Assembler**

American Medical Instruments - New Bedford, MA

June 2002 to September 2005

I worked on a machine than made epidural needles, and then I'd check them under a microscope for quality issues.
