

Form W-4 (2016)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2016 expires February 15, 2017. See Pub. 505, Tax Withholding and Estimated Tax.

Note: If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$1,050 and includes more than \$350 of unearned income (for example, interest and dividends).

Exceptions. An employee may be able to claim exemption from withholding even if the employee is a dependent, if the employee:

- is age 65 or older,
- is blind, or
- will claim adjustments to income; tax credits; or itemized deductions, on his or her tax return.

The exceptions do not apply to supplemental wages greater than \$1,000,000.

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2016. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted at www.irs.gov/w4.

DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

Alcohol and drug abuse adversely affects job performance, the kind of work an employee performs and an employee's opportunities for successful employment. It is the intent of this document to provide employees with ESSG's [hereafter "the Company"] policy regarding the use of drugs and alcohol while at work. The Company does not intend to intrude into the private lives of its employees, but strongly believes that a drug-free workplace is in the best interest of employees and non-employees alike.

II. SCOPE

This policy applies to all applicants for employment and to all employees including contract or temporary employees. The policy is applicable at Company facilities or whenever Company employees are performing company business.

III. DISCLAIMER

Employment at the Company is at-will. This policy is not a unilateral employment contract and should not be interpreted as creating a unilateral employment contract.

IV. PROHIBITIONS

A. No employee shall report to work under the influence of alcohol, any controlled substances, or any other drugs or medications that may affect the employee's alertness, coordination, reaction, response, judgment, decision-making, or safety.

B. No employee shall operate, use, or drive any equipment, machinery, or vehicle of the Company or any client of Company while under the influence of alcohol, any controlled substances, or any other drugs or medications that may adversely affect the employee's ability to operate such equipment, machinery, or vehicle. Employees are under an affirmative duty to immediately notify their supervisor if they are not in an appropriate mental or physical condition to operate, use, or drive any equipment machinery, or vehicle or otherwise safely perform their job duties.

C. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer, or use a controlled substance in the workplace or wherever the Company's work is being performed.

D. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform his/her work for the Company. In such circumstances, the employee is subject to discipline.

E. When an employee is taking medically authorized drugs or other substances that may alter job performance, the employee is under an affirmative duty to notify their supervisor of the temporary inability to perform his or her job duties.

F. The Company shall notify the appropriate law enforcement agency, licensing boards, and other relevant authorities when it has reasonable suspicion to believe that an employee may have illegal drugs in his or her possession at work or on company premises.

2. Applicants. The Company reserves the right to withdraw the conditional job offer of any job applicant with a positive test result, without the opportunity to complete evaluation or treatment.

3. Employees - First Positive Test Result - Termination: The Company will not discharge an employee for the first positive test result. Instead the employee will be given the opportunity to participate in an appropriate drug or alcohol counseling or rehabilitation program as determined by a certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency chosen by the Company. The employee will be responsible for paying all costs associated with any evaluation and subsequent treatment themselves or pursuant to coverage under an employee benefit plan. An employee who refuses or fails to participate in, cooperate with, or complete the evaluation or recommended treatment may be terminated. An employee who successfully completes treatment may be subject to random follow-up testing for a period of up to two years in accordance with section V.A.5. of this policy.

4. Employees - First Positive Test Result—Discipline: The Company reserves the right to take any other disciplinary action short of discharge it deems warranted following a first positive test result.

5. Employees-Subsequent Positive Test Result: An employee who has more than one positive test result may be terminated immediately following any second or subsequent positive test result without referral to or the opportunity to complete additional chemical dependency counseling or rehabilitation.

E. Privacy of Test Results.

1. Test results and other information acquired as a result of the testing program are private and confidential information and will not be disclosed by the Company or the testing laboratory to another employee or to third party individuals, government agencies, or private organizations without written consent of the employee or applicant being tested.

2. Evidence of a positive test result, however, may be used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing, or a judicial proceeding, provided the information is relevant to the hearing or proceeding. Such evidence may also be disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order. Evidence of a positive test result may also be disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment.

3. The Company will provide an employee with access to information in the employee's file relating to positive test result reports and other information acquired in the testing process as well as conclusions drawn from or actions taken based upon such information.

**DRUG AND ALCOHOL
TESTING CONSENT FORM**

1. I have been allowed to read and inspect a written copy of ESSG policy on drugs and alcohol.

2. I have read the entire contents of this policy and I am aware and fully understand: (a) the policy and its contents; (b) what conduct the policy prohibits and the consequences of such conduct; (c) my rights under the policy and the consequences if I exercise certain rights; and (d) that certain events as described in the policy may result in adverse personnel action, including my termination from employment with ESSG. I understand that this policy in any form, and any employee handbook including this policy, are not a unilateral employment contract or offer thereof.

3. I hereby voluntarily consent to ESSG, or its health service providers, or other persons or entities acting for or with them, to collect a body component (blood, urine, breath, or any combination thereof) from me for testing for alcohol and/or drugs. I understand that the laboratory selected by ESSG may conduct testing and other analysis on the sample provided by me. I further voluntarily consent to the laboratory's disclosure to ESSG of the results of my drug and/or alcohol test and other information related to the test.

Individual's Name

Date

G. Employees shall not consume alcoholic beverages during lunch periods, dinner periods, or breaks when returning immediately thereafter to perform work on behalf of the Company. In situations where the employee conducts the Company's business after the intake of alcohol, the employee shall be subject to discipline up to and including discharge.

V. ALCOHOL AND DRUG TESTING

As part of the Company's commitment to an alcohol and drug-free workplace, the Company reserves the right to require that applicants and employees submit to drug or alcohol testing in accordance with the provisions of applicable law. This policy represents the notice required under applicable law and a copy will be provided to all applicants and employees who are requested to undergo testing. In the event of any conflict between this policy and applicable law in effect at the time of the test, the law will control.

A. Who May be Subject to Testing.

1. Job Applicants. The Company may require that all applicants for a particular position be tested for drugs or alcohol after receiving a conditional offer of employment. If the applicant tests positive for drugs or alcohol, the conditional offer may be withdrawn.

2. Routine Physical Examination Testing. The Company may require employees to undergo a drug or alcohol test once a year as part of a routine physical examination. Affected employees will be given two weeks written notice that they will be tested for drugs or alcohol as part of a routine physical.

3. Random Testing. The Company may require employees in safety-sensitive positions to undergo testing on a random selection basis. Once the random selection has been made, the Company will not waive the selection of any employees identified through the random process.

4. Reasonable Suspicion Testing. The Company may require an employee to undergo drug or alcohol testing if the Company reasonably suspects that the employee:

- a. is under the influence of drugs or alcohol;
- b. has violated the Company's written work rules prohibiting drug and alcohol use;
- c. has sustained or caused another employee to sustain personal injury; or
- d. has caused a work-related accident or was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident.

5. Treatment Program Testing. The Company may require an employee who has been referred for chemical dependency treatment or evaluation or is participating in a treatment program under an employee benefit plan to undergo drug or alcohol testing on a random basis and without advance notice during the evaluation or treatment period and for up to two years following the completion of any treatment program.

B. Conducting the Testing.

1. Consent. All employees required to undergo testing will be required to complete and sign the employee consent form attached as Appendix A.

2. Refusal to Participate. An employee or job applicant has the right to refuse testing. However, a refusal of testing will be treated as a failure to comply with Company policy and may result in withdrawal of a job offer or disciplinary action up to and including termination of employment.

3. The Laboratory. The Company will use a laboratory certified by the National Institute on Drug Abuse (NIDA) or its successor, the College of American Pathologists (CAP), or the New York State Department of Health or other licensing body recognized by applicable law to perform all drug and alcohol tests.

4. Test Results.

The laboratory will conduct both an initial test and a confirmatory test if the initial test is positive. A negative result on either the initial or confirmatory test will be deemed a negative test result (i.e. the employee passed the test). A positive result on both the initial and confirmatory test will be deemed a positive test result (i.e. the employee failed the test.)

a. Negative Test Result. An employee or applicant who tests negative for drugs or alcohol will be given written notice that they passed the test within three working days of the Company receiving the test results from the testing laboratory.

b. Positive Test Result. An employee or applicant who tests positive for drugs or alcohol will be given written notice that they have failed the test within three working days of the Company receiving the test results from the testing laboratory. The employee or applicant will then be given the opportunity to provide any information to explain the positive result, including any over-the-counter or prescription medications the employee or applicant may have taken. An employee or applicant who wishes to submit any explanatory information must do so within three working days after being notified of the positive test result.

An employee or applicant who has a positive test result may also request a retest of the original sample by the same or different certified laboratory at his or her own expense. An employee or applicant who wishes to conduct a retest must notify the Company in writing of their intention to conduct such a retest within five working days after being notified of the positive test result. If the results of the retest are negative, the test will be considered a negative test result.

C. Right to Test Result. An employee or job applicant has the right to request and receive from the Company a copy of the test result report on any drug or alcohol test.

C. Costs. All costs related to alcohol and drug testing will be paid by the Company, with the exception of any retests requested by the employee or applicant following a positive test result.

D. Disciplinary Action in Response to a Positive Test Result.

1. Interim Discipline and Action: The Company reserves the right to temporarily suspend an employee or transfer the employee to another position at the same rate of pay pending the outcome of any drug or alcohol test. An employee who is suspended without pay will be reinstated with back pay if the test or any requested retest is negative.

A temporary employee who is given a notice that the employee is required to contact or notify the employer upon completion of an assignment and to be available to work, as agreed upon at the time of hire, during a specified period of time, on specified dates, or upon call by the employer on an as-needed basis and who does not contact or notify the employer upon completion of an assignment in compliance with the notice and is not available to work at the agreed-upon times is deemed to have voluntarily terminated employment for the purpose of determining benefits pursuant to section 8-73-108 (5) (e). Also, a temporary employee who agrees to work on an as-needed basis and refuses all work within three separate pay periods when contacted by the employer is deemed to have voluntarily terminated employment for reasons that may or may not allow an award of benefits pursuant to section 8-73-108.

It is your responsibility to contact or notify ESSG (For example, by calling 303-920-1425, or using another means of contact) once your assignment ends. If you fail to do so, it may affect your unemployment benefits.

I understand by signing this form that I am responsible to contact or notify ESSG once an assignment ends. I also acknowledge that I have received a separate copy of this form. GDD (Initial)
