

# Daniel Gable

I am an energetic and skilled 27 year old construction worker, with more than 7 years of experience at a variety of construction projects. I can accurately read a tape measure. I'm knowledgeable in operating/handling many types of construction equipment. I am highly responsive and responsible and accurately follow job instructions quickly! I am also resourceful and imaginative when called for and am able to work well with others!

Denver, CO 80210

daniel\_gable@hotmail.com - 830-237-9867

Have performed assignments in such fields as construction and landscaping labor, digging, sanding, building trusses, assembling, repairing, cutting lumber to length, assisting plumbers, assisting electricians, concrete labor, electrical wiring, driving forklifts/lifts. I also have experience in the restaurant and grocery industry and have managers experience there as well there.
