I am looking for an opportunity where I can get experience in a fast paced work environment that would not only help me improve and develop life skills but where I would be able to contribute my knowledge gained through forklift operation, hard work and positive and caring attitude. I have a high level of literacy in reading, writing and math; I am physically capable of most tasks, enjoy being a team player. I am available for flexible scheduling, ambitious, motivated and enjoy the challenge of troubleshooting. I have great computer skills and am a fast learner.

WORK EXPERIENCE

Forklift Operator/Material Handler

Sierra Trading Post - 2016-08 - 2017-05

Pulling, Put Away and restocking, truck unloading and servicing the retail will-call desk. Put away product that was received. Became very proficient with a RF scanner. Pulled product identified in the restocking reports and put the full pallets into the staging areas. The productivity level was fast paced and challenging. I am a trained and certified forklift driver.
