If your looking for a reliable quality minded hard worker I am the person your looking for. My strongest skill would definitely be painting, my work is my art and a reflection of who I am. Expect nothing but precision and dedication. My other skills include commercial/residential door and hardware installation, as well as welding. Available to start today and will work overtime. More than willing to learn new skill sets very good organizational skills and good with people I am a great face for your company and look forward to exploring business opportunities.

Willing to relocate to: Surprise, AZ - Denver, CO - San Diego, CA

Authorized to work in the US for any employer

Work Experience

Commercial Door/Hardware Specialist

Diversified Doorways - Denver, CO

January 2019 to October 2021

This Job consisted of very close attention to detail, from learning how to set door frames on commercial job sites. As well as how to install wooden/hollow metal doors, how to install different types of lock sets, closers, weather stripping, mullens, mullen casketing, door sweeps, door stops, along with many other types of hardware. Definitely would have to say working at Diversified Doorways made me the productive, attention to high detail worker I am today.

Painter

ATR painting - Aurora, CO

February 2017 to November 2019

Working at ATR Painting I learned how to use rollers and paint brushes with precision and speed . Some experience with a spray rig and this company really did make me the painter I am today.

Education

High school or equivalent in High school

Smoky Hill High School - Aurora, CO

August 2015 to January 2017

Some high school

Skills

- TIG welding (1 year)

Certifications and Licenses
