Work Experience

Backroom Associate

Marshalls - Loveland, CO

August 2022 to Present

Currently as a Marshall's associate I am part of our back room team that unloads and sorts our truck orders, I also pull merchandise onto the sales floor. I also work as a floor associate, again pulling new merchandise and putting back things that are left behind, or on the floor. While working the sales floor I am also responsible for maintaining my department clean and organized, and making sure it's that way before leaving for the night.

Shift Leader

Sonic Drive-In - Loveland, CO

May 2018 to February 2022

I was primarily a closing shift lead. As such I would look over each section, making sure they were properly stocked and cleaned before the employees left for the night. Afterwards, I would count the money in the drawer, make sure the correct amount was left for the morning; then the nightly deposit would be counted as well. Before leaving I would put both the drawer count and nightly deposit in the safe, then I checked all doors before putting in the security code before leaving.
