Skills:

- Able to work well with others, and help customers with getting what they need.
- I can learn a new skill set very quickly and working in a fast-paced work environment.
- I'm always to work on time, and I let my supervisors know well in advance if I'm unable to come into work, and always ready to cover co-workers shifts if they are unable to come in.

- I've developed over the years the habit of anticipating the needs of others, either customers or co-workers or managers because I know what needs to be done and how to do so.
- I'm a complete people-person, I love to work in customer service and provide an enjoyable experience for customers, especially in the restaurant business.
- I'm absolutely able to work as part of a team, and prefer to work together with other employees to create a fun and pleasant work environment.
- I love, and find it very useful, learning new skills when it comes to either using electronic equipment, or just improving a way of doing something that I already have experience in.
- I am able to operate a forklift truck, reach truck, and order picker in a warehouse setting.
- I am also Serve Safe Certified.
