Experience

HVAC Foreman | AMI Mechanical - Thornton | 08/2019 - 05/2020

Supervised a crew up to 20 and participated in the installation of duct and equipment. Ensuring on time and accurate completion with GC schedule.

HVAC CAD DRAFTER/Designer | RK Mechanical - Denver, CO | 02/2017 - 07/2019

Utilized computer design software AUTOCAD 2018, BIM 360/NAVISWORKS. Read and understand all submittals and Engineering drawings and designs for duct routing and equipment layout. To ensure specifications and standards. Attended coordination meetings for overhead coordination. Resolved discrepancies between original drawings and final CAD design.

HVAC General Foreman | RK MECHANICAL - Denver, CO | 11/2006 - 02/2017

To oversee HVAC commercial projects. Lead project teams to meet deadlines and minimize the cost of labor. Managed takeoffs and submitted requisitions. Participated coordination with other trades. Measure specifics when ordering of sheet metal fabrication and supplies. Attended weekly meetings with other contractors. Communicated with Engineers and Architects. Improved customer satisfaction by finding creative solutions to problems.
