Self-motivated employee, I work well without supervision and in a team environment. I am quick to learn new work practices and procedures. I aspire to work and grow with a company that will allow me to demonstrate my excellent work ethics and exhibit my motivation to be a part of a team.

## Professional Strengths

- Strong ability to relate to others with very good interpersonal skills and customer relations.
- Self-motivated and willing to learn new and challenging procedures to enable continued success.
- A history of open communication with co-workers and customers.
- Attention to detail to ensure quality and customer satisfaction.
- Adapt easily and quickly to different and changing environments, also company policies and procedures.

Authorized to work in the US for any employer
