Professional Summary

Accomplished and goal driven warehouse associate with over 8 years of warehousing experience. Ability to work under pressure and adapt to fast paced environments. Results oriented, dependable and safety conscious associate. I now desire a challenging role as a warehouse supervisor or manager. With background as a shipping and receiving clerk and truck driver, I believe my experience with picking, staging and receiving of shipments along with loading and unloading trucks, and driving a 24-foot flatbed semi, or a 24-foot freightliner, I would make a great addition to any team.
