Marketing Expert:

1. Digital Marketing Certified.
2. Facebook Ad Fluent.
3. Wordpress/Clickfunnels Fluent.

I'm a marketing/advertising problem solver. There is nothing that I can't accomplish when I put my mind to it.

I've been able to produce an average cost per lead of \$0.40, along with creating irresistible offers and promotions for our dream customer (avatar). I understand laser pinpoint targeting to find our "dream customer" and turn our visitors into our "dream customer".

Creating new promotions is something that I'm very good at too, and I would love to help your company with any marketing issues you may be having.

Career Accomplishments:

1. Created My Very Own Online Sales Funnels
2. Have helped over 1000 leads with following, And accomplishing some of their dreams.
3. Built an emailing list of 1000 leads at an average cost of \$0.40 per lead.
4. Build lifetime relationships with each lead, and turn them into paying customers.
