OBJECTIVE

I am an experienced maintenance worker with a bit of experience in fabrication, repairs and I have done some welding with a Miller MIG welder.

SUMMARY OF QUALIFICATIONS

I am a quick learner with some knowledge of MIG welding and forklift operation. I am a confident and driven, team oriented person with the desire to contribute to production and quality responsibly and safely.

EXPERIENCE

Maintenance

Boulevard Auto Center, Detroit, Michigan
08/2003 to Present

My responsibilities include general maintenance of hydraulic hoists and minor repairs to vehicles. I also maintain the appearance of the shop by cleaning as I go in work areas such as, sweeping, mopping, and other methods of area maintenance.

Soldier

United States Army, Fort Knox, Kentucky
03/2006 to 11/2008

My responsibilities as a soldier were to obey orders dictated to me by my superiors, complete all tasks in a diligent and timely manner and maintaining my appearance and attitude as an American soldier should. My Military Occupational Specialty was "19K" or M1 Abrams Armor Crewman. I was partially responsible for an M1 Abrams main battle tank while performing my duties. I was responsible for the maintenance and cleaning of the vehicle during and after field exercises.

EDUCATION & TRAINING

GED, General, King High School, Dearborn, MI, 4 year(s)

HONORS, AWARDS, PROFESSIONAL ORGANIZATIONS

I was awarded the Army Achievement Medal for excellent performance while training Army officers during field training exercises.
