RICK & ROSE

Rick and Rose were good friends. They worked together at Reichel Foods.

One day they had a lot of work, and not enough employees, this same day the supervisor asked Rick to pack carrots and ranch in 100 boxes. Rick was worried he could not finish this before the day ended. He was going to ask Rose for help but he noticed she was gone. He knew if she didn't help, the boxes would not get packed on time.

The supervisor saw Rick working very hard and went to ask Rose for help. He looked for her in the cafeteria. When he saw her taking a break, he asked her why she wasn't helping Rick. "I didn't know that he needed help," said Rose, "I will go help him right away."

When Rick saw Rose coming to help he felt happy and supported. "Please don't be afraid to ask me to help. We are good friends and co-workers," she said, "and together we make a great team."
