Work Experience

Repair Technician

LM WINDPOWER
March 2015 to Present

Repair technician... Using work instructions I'm able to fix windmill fiber glass repairs from chamfering 450 661 1322 and many more glass types, some tools we use are grinder's Sanders cut saws hammer straight edge tool's etc . As well as measuring tapes using the meter system.... We're the 911 dispatchers of the company they call us we fix any problem.
