- 1972-1975 – High School: West Bend East – West Bend, WI – Special subjects were writing (short stories & school paper articles) & art.

During this period:

1. I worked at a pancake house as dishwasher, then short order cook.
  2. I worked at a bakery doing cleaning and occasional sales.
  3. I spent a summer doing mason laboring.
  4. I spent a winter doing snowmobile repair and sales.
  5. During this time, I also worked with my Father (a Master Plumber/Pipefitter), training as a plumber's apprentice. I became a Journeyman Plumber at 17 in 1974, with some practical welding experience.
- 1975-1976 – Rolfs/Amity Leather Products in West Bend, WI
    1. Shipping/Receiving using a forklift and various other lifting equipment
    2. Order and supply pulling and routing for the majority of production
    3. Inventory control
  - 1976-1979 – Commercial Fishing on the Great Lakes out of several ports in Michigan's Upper Peninsula.

During this period:

1. I learned shipbuilding, net building, packing, shipping & receiving of fresh fish using forklift and hand truck, curing and smoking of fish. Of necessity, I also learned more and sharpened my skills with small engine, automotive and diesel repair.
  2. I became a certified scuba diver and did some U/W work on vessels and under the ice.
- 1979-1981 – Automotive – Van and automotive custom building in Denver, CO at Finestkind Conversions.
  - 1981- 1991 – Automotive – All phases of automotive electronics including: Audio, security, heating & A/C, general wiring repair, theft/insurance repair and sales. Skills included: Electronic troubleshooting, design and building of high end systems, repair and occasional modification of electronic components using schematics, testing and soldering equipment. Cabinet building and custom automotive interior work.

During this period:

1. I attended college for electronics engineering at Community College of Denver Auraria. I could not continue after the first semester due to work and scheduling conflicts.

Employed at:

1. Rocky Mountain CB (Denver, CO) 1981-1982
2. Sound Experience (Boise, ID) 1982
3. Fosters Sierra Radio (Lakewood, CO) 1982-1985 [Manager]
4. Western Radio (Denver, CO) 1985-1988 [Manager]
5. Certified with two different agencies for Automotive Electronics 1986
6. White Automotive (Denver, CO) 1988
7. Western Radio (Denver, CO) 1988-1990 [Manager]
8. Caribe Car Stereo (Denver & Grand Junction, CO) 1991 [Manager]

- 1991-1993 – I went back to my plumbing experience and contracted plumbing as well as sewer & drain cleaning for Dell's Sewer Service.
- 1993 – 2004 – Self employed plumber/drain cleaner out of Wheat Ridge & Commerce City, CO.

During this period:

I did contract work for multiple accounts including all phases of residential plumbing, drain cleaning and remodeling.

1. 24 Hour emergency service work at residential & commercial locations.
  2. Repairs and remodeling (including work in all areas of the construction trades).
  3. Rough-in & finish of new construction
