

ROBERT GRANBERG

495 Helena Ct, Apt 306 Aurora, CO 80011 • 720-325-6594 • yxrobba@gmail.com

OBJECTIVE

A Forklift driver or order picker position in the Warehouse industry where my expertise and experience in industrial production and forklift driving would be needed. I could also be considered as a supervisor where my army expertise would be needed.

SUMMARY OF QUALIFICATIONS

I just moved here from Sweden. I have worked at a sawmill for the last 11.5 years and I learned a lot in my time there. I have very few sick days and never a late arrival.

- Mechanical gifted
- Very quick learner
- Used to a quick pace and a heavy workload
- Observant
- Like to keep a good order around me
- Great attendance record
- Great attention to details
- Good ability to multitask
- Used to work with a deadline

WORK EXPERIENCE

Stenvalls Trä AB, Pitea Sweden **Position**

2001 to December 2012

- Worked in every part of the sawmill
- Drove forklift when the ordinary drivers were absent the last years
- Used to a very high pace and still keeping order around me and keeping a high level of quality.
- Helped out as a mechanic when needed(at least once a week)
- Trained new employees.

Swedish Army, Boden Sweden

1997 to 1998

Long Range Reconnaissance Ranger

- Tracked vehicle driver
- First aid training.
- Armed guards training
