

# Gregory Porchia

Camden, AR

## Work Experience

---

### **Laborer**

D&B Properties - Camden, AR  
November 2020 to Present

We remodel houses locally here in Camden, I help with loading and unloading the tools and materials occasionally painting and tearing out floors and walls

### **Order Selector**

Coca-Cola Bottling Company UNITED, Inc. - Camden, AR  
November 2019 to November 2020

We had a computer that would print order tickets for the day and we would use electric pallet jacks to go and hand pick the orders and load the onto the trucks to go to different locations throughout the city

### **Loader/Unloader**

McCarthy Building Co - Fort Lupton, CO  
November 2018 to March 2019

I would have to unload the rigs as they came in with materials probably unloading up to 6 trucks a day using a pallet jack..I would have to do the paperwork for each set of materials I unloaded to ensue the amount was correct and the storage was proper

### **Loader/Unloader**

## Education

---

### **High school diploma in General studies**

Camden Fairview High School - Camden, AR  
August 2002 to May 2006

### **High school diploma**
