Received 3 credit hours in each of the following areas: Automotive Mechanic, Generator Mechanic and Hobart  
Welding, MIG, ARC, and Gas welding

**Security Clearance:**

I was issued a Security Clearance while serving in the U.S. Army.

**Other Skills:**

Test Quality Engineering	15 yrs.
Weld Inspection	20 yrs.
Operator, Heavy Equipment/ Farm	19 yrs.
Welding/Brazing	20 yrs.
Welder, Combination- Maintenance	20 yrs.
Electrical Inspection	20 yrs.
Receiving/ Shipping Inspection	20 yrs.
Test Inspection	20 yrs.
Optics Inspection	20 yrs.
Mechanical Inspection	25 yrs.
Product Inspection	25 yrs.
Non-Destructive Testing	20 yrs.
Electro-Mechanical Inspection/Test	25 yrs.
Assembly Inspection-Quality	25 yrs.
Measurement Inspection Tools- CMM, Mic's OD/ID, Height Gage, Bore Gage, Optical Comparator, Proflomiter, Ring Gages, Thread Gages, Johnson Gage, Bore scopes, Test Gages & Dial Indicators	25 yrs.
Electrical Quality	22 yrs.
Mechanical Quality	25 yrs.
Quality Audits	20 yrs.
Gen Env. Mgmt.-Audits/ Site Inspection	20 yrs.

**Office Skills and Equipment:**

Printer, Fax, Micro Soft Office, Excel, Cad,  
Computer Automated Drafting, PKI
