Work Experience

Machine Operator

EMIT Technologies - Greeley, CO

April 2021 to August 2021

Ran a beam line for structural buildings including hospitals and schools.

Welder/Fabricator

BGM Buildings - Gillette, WY

August 2019 to December 2020

Welded in a shop making structural building for the oilfield. Also built signs for advertising.

X-Ray Technician

TechCorr USA - Gillette, WY

October 2017 to July 2019

X-rayed and inspected welds in the field. This job took me from North Dakota to Texas and everything in between.

Diesel Mechanic

Mike's Auto and Diesel - Gillette, WY

January 2012 to May 2017

Worked on Semi trucks, anything from oil changes and servicing the trucks to overhaul.

Education

High school diploma

Campbell County High School - Gillette, WY

August 2014 to May 2017
