## Work Experience

---

### **Labor/Installer**

Bel shower door - Denver, CO  
February 2020 to Present

Install glass mirrors and built glass showers. Installed everything from a European shower to a simple bypass shower door. Using my own tools to do the jobs specified for each day complete 90% of my routes.

### **Bartender/Server**

Brothers Bar and Grill - Lone Tree, CO  
October 2018 to Present

- Responsible for opening and closing tasks perform in high traffic, high pressure environment Maintain professionalism and proper etiquette at all times Provide excellent service and recommendations to guests Develop and maintain relationships with guests and local community by providing tailored service
- Place liquor orders, manage stocking, and record inventory
- Assist in creating new recipes and special menus
- Serve large parties and special events
- Manage bar revenues, ensuring all cash is properly counted
- Work behind a bar top serving/mixing alcoholic drinks and food, also leading and training new employees on their duty's of their job that must be done the right way. Fill ice bins, refill fruit trays, change kegs, wash cups, sweep, mop, take out trash, clear bar top of any dishes or empty cups. Brothers bar and grill in Lonetree was a fast paced job I learned how to make drinks super quick I can make anything from a old fashioned to a White Russian to a Long Island iced tea

### **Foreman/Laborer**

MTN waterproofing - Denver, CO  
August 2018 to April 2019

- Carry heavy materials to their proper location periodically to reduce total project time
- Maintain clean and safe workspace at construction sites, safely disposing of heavy and hazardous materials
- Assist construction workers with tasks such as transporting work materials, setting up power tools and organizing project sites

- Perform basic maintenance of tools and equipment to reduce workflow disruptions
- Identified potentially dangerous procedure for transporting heavy materials and spearheaded use of forklift, tugger and other machinery for task, reducing injuries significantly
- Worked in both residential and corporate environments; collaborated with clients in order to ensure that their vision is honored
- Used rollers, brushes and sprays to apply waterproofing to walls
- Followed up with customers to ensure that a satisfactory job was done

Lead a group of guys with a waterproofing plan to exact detail. Relay messages from the main general contractor on what needs to be done as far as work. Install 3-4 part waterproofing systems on commercial buildings in downtown Denver and all over Colorado. Hardworking and punctual Labourer with more than three years of multipurpose experience assisting site managers with construction projects in a dynamic and collaborative environment.

Oversee the installation, inspection, evaluation, repair and replacement of waterproofing systems!  
 General cleaning duties including sweeping, vacuuming, dusting and removing debris from site  
 Transported material weighing up to 60 pounds and ensured building materials arrived at the appropriate place on time, reducing unnecessary delays.

### **Commercial Fisherman**

Kalama fishing - Biggs Junction, OR  
 2016 to 2018

Work on a commercial fishing boat fishing for king and chinook salmon. Labor intensive was a understatement which taught me to work fast and safe. We used gillnets which weigh over 1000lbs to catch the fish

### **Landscaper**

Handscape landscape - Evanston, WY  
 2004 to 2009

Being a Landscape foreman my duties were to lead a team of 4-6 depending on job size read plans and lead them to do the job correctly I've built waterfalls around houses to fully landscaped and sprinkler system installments Hardworking and detail-oriented Landscape Worker with 4+ years of experience creating aesthetically-pleasing, healthy and environmentally-friendly landscapes for residential neighborhoods

- Help build patios, walkways or garden enclosures using brick and stone
- Transport heavy materials, including larger plants, fake grass and stones safely, using forklift when necessary
- Laid mulch and planted everything from small bushes to trees, ensuring plants could survive in environment
