Summary

Image

Sheet Metal Fabricator with 25+ years experience..

Skills

Image

• Troubleshooting expert • Blueprint reading  
• Schematic diagram interpretation • CNC operator  
• Fluent in English and Spanish • Full set up/programming for CNC  
• Successful in a fast-paced environment • Good at establishing goals  
and setting priorities  
• Able to lift up to 50 pounds • Good judgment  
• Solid independent worker • Good multitasker  
• 24+ years of job shop experience • Have own tools  
• Basic computer skills • Strong team player  
• Basic math skills • Strong work ethic  
• Knowledge of manufacturing standards/regulations • Technical school training

Accomplishments

Image

Machine Troubleshooting

• Performed effective troubleshooting of CNC/NC machines 2 to 3 times per week  
Blueprint Reading

• Read blueprints, work orders, and production schedules to accurately determine job instructions and specifications.

Machine Set Up

• Gave directions to other workers regarding machine set-up and use.

Experience

Image

CNC Punch Operator/Programmer

February 2007 to Current

Ionex Research • Lafayette, Co

Build parts according to blueprint schematics for underground Filtration units.

Press Brake Operator

May 2005 to February 2007

Merritt Equipment Co • Henderson , CO

Manufacture over the road tractor-trailers for livestock per blue print specifications.

Sheet Metal Fabricator and Machinist

May 1996 to May 2003

Hamilton Sundstrand Aerospace • Denver, CO

Manufactured aerospace and aircraft parts according to Engineering sketches.

Sheet Metal Mechanic, Classification  
May 1994 to May 1996

Dynamic Design Manufacturing â Niwot, CO

Sheet Metal Fabricator

May 1993 to May 1994

Air Methods Corporation â Englewood, CO

Sheet Metal Fabricator Classification A

May 1986 to May 1993

Barry Controls â Burbank, CA

Manufactured parts for Aircraft according to Engineering Sketches

Education and Training  
Image  
Front Range Community College 2005

Westminster, CO

Auto Mechanics

Associates

Solano Community College 1985

Fairfield , CA

Electronics

Certificate of Completion

Colorado University at Denver

Denver, CO

General Education

Electrical Engineering

Cerritos Community College

Buena Park , CA

Set-up and Operation

CNC-NCT Programming

Received Certificate of Completion for Amada Press brake set-up and operation as well as CNC-NCT programming.
