Skills

- Journeyman skills with forklift and equipment operations. Accuracy and efficiency are main focuses. Memorization and comprehension skills excellent.
- I possess a work ethic usually unmatched by others. I am willing to take on any project , no matter how difficult and see through completion. I take pride in this skill. Focusing on a project is never a problem. Teamwork for a main objective has never been a problem. I have no problems working in a fast paced environment. I never fail to embrace the challenge.
- I am computer literate, yet not proficient. I would be more than open for the opportunity of more experience.
- I am always punctual and enthusiastic.
