Work Experience

Circuit Board Assembler

TTM Technologies - Littleton, CO
October 2019 to Present

I inspect circuit boards for anything that can cause shortages or faulty product. I operate various machines including a sanding machine, circuit board filler and a manual version as well. I am a certified hole filler and sander

Package Handler

UPS DISTRIBUTION HUB - Aurora, CO
November 2018 to December 2018

I had to load trucks with packages ranging from all different shapes and sizes , make sure the packages are in the correct place, help around in case a co worker is swamped. Use sit down forklift in occasions.

Butcher/Meat Cutter

Lowe's - Aurora, CO
June 2018 to August 2018

I had to make cuts, certain specific cuts, clean meat cutting machines (including disassembling machine, cleaning or renewing saw as well as disassembling meat grinder) , clean cooler, package meat, work register, clean my area daily st the end of the shift.

Crew Member

Firehouse Subs - Aurora, CO
November 2017 to January 2018

I had to make prep, make sandwiches , clean bathroom, clean dining room, clean kitchen, clean ice machine\ fill up ice machine, assort the cooking products. Greet customers upon entrance, offer daily specials and recommend food options.
